In support of child welfare

OUR WHY

Kelrn Transport has been in business since 1976, growing from a small-scale transport operation into one of South Africa's leading logistics companies. Rooted in a strong belief in giving back to the community, Kelrn MTB Classic was launched in 2012 by Kenne and Joy de Kock and the Kelrn staff to **support child welfare** initiatives in the Northern Cape.

Since its inception, this event has grown significantly, with the 2023 edition marking the 10th anniversary and raising R1 million for seven registered child welfare beneficiaries.

The mission of the Kelrn MTB Classic is to provide sustainable funding for these vital organizations through the combined efforts of sponsors, participants, and Kelrn personnel.
